Gloria, Bob, Gary, let me know by 11:00 am today if you want me to include any slides for the Power Point for the work you are performing or plan to perform. Send me the information short and to the point. One slide should do it for any work counsel, enforcement, or removal is performing. Thanks.

Rafael:

Your powerpoint presentation does not contain any enforcement items. I guess that is Ok. Also, removal action status should be included, as well.

One specific comment - on page 6 - should be AOCs - plural - to denote that there are two consent orders. "AOCs for RI/FS and removal action .....

Hello all, please comment on the attached information by COB Wednesday 3/09/11. I tried to be as brief as possible. I am still looking for Site images of State Marine and Palmer Barge.

Also, for the meeting, please be prepared to discuss any work you are performing for each Site.
